

wästberg / w111 van severen

**Product Information**

Wästberg is proudly reintroducing the U-Line lamps designed by late Belgian designer Maarten van Severen. The reintroduction was made possible in close collaboration with both Maarten's family and The Maarten Van Severen Foundation. With an improved mechanical and technical performance and equipped with LED's, the lamp is now called w 111 van severen.

Design: Maarten Van Severen

---

<b>Material</b>	The base is made of die-cast aluminium, while the shade and arm are made from extruded aluminium.
<b>Integrated LED</b>	The light technology is based on an energy-efficient, high quality LED solution, which gives a warm white light.
<b>Dimmable</b>	w 111 van severen features an integrated programmable dimmer switch operated by a button.
<b>Adjustable shade</b>	The shade can be adjusted 120° horizontal and 70° vertical.
<b>Flat pack</b>	A jacket construction enables 360° free rotation between the base and arm and easy assembling from flat pack.
