(di seguito "Linea Light") ai propri clienti (di seguito "Clienti" e singolarmente "Cliente" e congiuntamente di seguito "Parti" e singolarmente "Parte") e costituiscono parte integrante e sostanziale di tutti i contratti di fornitura e vendita. Qualsiasi condizione o termine differente trova applicazione soltanto se previamente confermato per iscritto da parte di Linea Light.
Le condizioni generali del Cliente non saranno applicate, neppure se espressamente richiamate in ordini accettati da Linea Light, salvo diverso ed espresso accordo scritto tra le Parti.
- 1.2. Le presenti Condizioni Generali annullano e sostituiscono precedenti condizioni generali di Linea Light applicabili al rapporto. Linea Light si riserva il diritto di modificare, integrare o variare le Condizioni Generali senza alcun preavviso, pubblicandone una nuova versione sul Sito web: www.linealight.com. Le Condizioni Generali applicabili sono quelle in vigore nel momento di effettuazione dell'ordine (le nuove condizioni generali di vendita saranno applicabili esclusivamente agli ordini effettuati a partire dal giorno della loro pubblicazione).
Le Condizioni Generali di vendita sono redatte in italiano ed in ulteriori lingue. In caso di dubbi interpretativi prevarrà sempre la versione italiana.

3. PRODOTTI

- 3.1 Linea Light si riserva la facoltà di eliminare in qualsiasi momento e senza preavviso eventuali Prodotti dalla collezione o dai cataloghi (salvo che tali Prodotti siano oggetto di Ordine debitamente confermato da Linea Light), o modificare parti, dettagli o finiture al fine di migliorare le prestazioni dei Prodotti o in osservanza alle normative CE.
- 3.2. Eventuali campioni dei Prodotti o immagini degli stessi contenuti in cataloghi, prospetti, materiali pubblicitari, listini e/o simili hanno solo valore indicativo, anche qualora la vendita venga effettuata ai sensi dell'art. 1522 cod. civ.
- 3.3. Oggetto dei rapporti di fornitura disciplinati dalle Condizioni Generali sono sia i Prodotti standard come pure quelli personalizzati, realizzati da Linea Light e/o, per conto della stessa, da terzi, nonché i Prodotti semplicemente commercializzati da Linea Light. Sono personalizzati i Prodotti realizzati su disegno o su progetto o comunque su specifica indicazione del Cliente od utilizzando conoscenze tecniche o tecnologiche dello stesso. Il Cliente per il quale siano stati realizzati Prodotti personalizzati dovrà manlevare e tenere Linea Light indenne da qualsiasi pretesa di terzi, in particolare a titolo di concorrenza sleale, o per contraffazione o usurpazione di brevetti, marchi, modelli industriali, disegni e modelli ornamentali, o comunque per violazione di diritti di proprietà industriale o intellettuale, diritti d'autore o know-how in genere. Il Cliente si assume ogni responsabilità in relazione al prodotto personalizzato, ai sensi e per gli effetti di cui al D.Lgs. 06.09.2005 n. 206 e della Direttiva 85/374/CE e s.m.i., oltre che di analoghe disposizioni di legge applicabili nei Paesi in cui i Prodotti verranno utilizzati e/o commercializzati, obbligandosi a manlevare e tenere indenne Linea Light da qualsivoglia pretesa di terzi, senza che il Cliente possa reclamare o eccepire alcunché a qualsivoglia titolo e/o ragione.

4. ORDINI

- 4.1. Trasmettendo l'ordine il Cliente conferma di conoscere ed accettare integralmente le presenti Condizioni Generali e le ulteriori informazioni contenute nel Sito, anche richiamate tramite link, comprese la privacy policy e le Condizioni Generali di Reso.
- 4.2. Gli Ordini dovranno essere effettuati per iscritto e trasmessi con le modalità indicate al punto 13.1 ed indicare con precisione il tipo e il numero di Prodotti ordinati. Eventuali Ordini trasmessi verbalmente non verranno presi in considerazione fino al ricevimento da parte di Linea Light del relativo documento scritto. Linea Light si riserva la facoltà di accettare o meno gli Ordini ricevuti. L'accettazione potrà avvenire mediante comunicazione scritta trasmessa con uno qualsiasi dei mezzi di cui al successivo punto 13.1, oppure per fatti concludenti mediante il semplice inizio dell'esecuzione dell'ordine. In quest'ultimo caso Linea Light dovrà, entro un termine ragionevole, comunicare al Cliente di avere avviato l'esecuzione e di aver perciò accettato l'ordine.
- 4.3. Un'eventuale accettazione dell'ordine, da parte di Linea Light, non conforme allo stesso dovrà considerarsi una controproposta che si ritirerà accettata dal Cliente se non contestata entro il termine di tre giorni lavorativi dal suo ricevimento, senza, decorso detto termine, che il Cliente possa eccepire o reclamare alcunché a qualsivoglia titolo e/o ragione.
- 4.4. Gli eventuali agenti, procacciatori d'affari ed altri ausiliari di commercio di Linea Light non hanno il potere di vincolare in alcun modo Linea Light. In particolare essi non hanno alcun potere di stipulare contratti per conto di Linea Light, modificare o annullare i contratti in corso, modificare i termini di consegna, concedere esclusive né di vendita né di acquisto, concedere sconti o abbuoni o dilazioni di pagamento, riscuotere somme di danaro, salvo i casi in cui siano muniti di regolare procura speciale e cioè conferita a tali determinati scopi. Qualora il Cliente effettui pagamenti ai soggetti sopra indicati, non sarà liberato e l'obbligo di pagamento non si considererà eseguito ed estinto, fino al momento in cui le relative somme non perverranno a Linea Light.
- 4.5. L'invio o comunque la consegna da parte di Linea Light, di suoi agenti, procacciatori o di altri ausiliari di commercio, di listini prezzi o di materiale illustrativo dei Prodotti non potrà in alcun modo considerarsi come proposta contrattuale.

5. CONSEGNA

- 5.1. I termini di consegna indicati negli Ordini, seppure accettati da Linea Light, o in altro modo pattuiti, non possono essere considerati essenziali e hanno valore meramente indicativo, salvo diverso ed espresso accordo tra le Parti. Una ragionevole tolleranza è sempre ammessa. Pertanto, in caso di ritardo nella consegna, Linea Light non sarà considerata in alcun modo inadempiente e nessuna eccezione potrà essere sollevata né alcuna pretesa potrà essere avanzata nei suoi confronti a tale titolo.
- 5.2. Salvo diverso accordo scritto tra le Parti, le consegne sono effettuate ex works (EXW), secondo la definizione Incoterms della Camera di Commercio Internazionale nella versione di volta in volta vigente. Il luogo di consegna saranno gli stabilimenti di Linea Light come previamente comunicato da Linea Light al Cliente. In caso di mancato ritiro della merce da parte del Cliente o di suo rifiuto di riceverla, anche nei casi in cui la consegna, per accordo scritto tra le parti, non debba avvenire EXW, Linea Light potrà procedere alla vendita dei Prodotti non ritirati anche in deroga a quanto previsto dall'art. 1515 e ss. cod. civ., fermo ogni altro rimedio esperibile per legge o per contratto e in particolare contemplato dalle Condizioni Generali.

6. PREZZO – TERMINI E MODALITÀ DI VERSAMENTO

- 6.1. I Prodotti, salvo diverso accordo scritto tra le Parti, saranno forniti al prezzo non comprensivo di I.V.A. risultante dal listino di Linea Light in vigore al momento di accettazione dell'ordine da parte di quest'ultima. Il prezzo dovrà essere pagato anticipatamente a mezzo rimessa diretta sul conto corrente indicato da Linea Light, salvo diverso accordo tra le parti e comunque secondo i termini di pagamento riportati in fattura. Linea Light si riserva la facoltà di aumentare i prezzi, ancorché confermati, in proporzione agli aumenti che possano subire, a titolo esemplificativo e non esaustivo, materiali e materie prime, imballaggi, trasporti e logistica, energia, manodopera, dovuti a circostanze sopravvenute non dipendenti dalla volontà di Linea Light e comunque al di fuori della sua sfera di controllo. In tal caso Linea Light ne darà comunicazione scritta al Cliente. Il Cliente dichiara sin d'ora di accettare le predette variazioni di prezzo, rinunciando espressamente ad eccepire alcunché per qualsivoglia titolo o ragione. Linea Light potrà liberamente cedere a terzi i crediti verso il Cliente originati dalle forniture. Il Cliente non potrà sospendere né ritardare il pagamento del prezzo per alcuna ragione e in particolare non potrà sollevare eventuali contestazioni, qualunque ne sia il titolo o la causale, in merito ai Prodotti ricevuti se non dopo avere integralmente versato il relativo prezzo. Si precisa che il Cliente dovrà corrispondere integralmente e puntualmente il prezzo dovuto anche qualora non abbia ancora provveduto al ritiro dei Prodotti.
- 6.2. Salvo ogni altro rimedio previsto dal contratto, dalle Condizioni Generali e dalla legge, o concordato tra le Parti, in caso di ritardo nel pagamento del prezzo il Cliente sarà costituito automaticamente in mora e matureranno sulle somme dovute interessi moratori al tasso di cui al D. Lgs. 231/2002. Inoltre, il Cliente decadrà immediatamente dal beneficio del termine con riferimento ad ogni altro pagamento dovuto a Linea Light, senza necessità di alcuna previa comunicazione da parte di quest'ultima. Linea Light potrà sospendere ogni altra fornitura a favore di tale Cliente finché tutti i pagamenti, quello/i in relazione al/i quale/i si è verificato il ritardo e gli eventuali ulteriori divenuti esigibili a causa della decadenza dal beneficio del termine, siano stati integralmente corrisposti, fermo restando che, ove la merce da consegnare sia già stata prodotta, il Cliente sarà tenuto altresì al versamento di una somma pari allo 0,5% del prezzo dei Prodotti non ritirati.

per ogni settimana o frazione di essa di ritardo nel ritiro a titolo di spese di magazzinaggio, fermo l'obbligo di risarcire a Linea Light eventuali ulteriori danni. In tutti i casi previsti nel presente articolo 6.2 il Cliente non potrà eccepire o reclamare alcunché a qualsivoglia titolo e/o ragione.

7. IMBALLAGGIO

7.1. Salvo diverso accordo scritto tra le Parti, i Prodotti verranno consegnati con imballo standard di Linea Light. Contestazioni circa danneggiamenti dell'imballo dovranno, a pena di decadenza, essere sollevate per iscritto dal Cliente, o dal vettore incaricato, all'atto del ritiro.

8. GARANZIE

- 8.1. Linea Light garantisce al Cliente che i Prodotti forniti sono esenti da vizi di fabbricazione e/o di materiale e sono conformi alle applicabili norme italiane e comunitarie vigenti al tempo della consegna. Salvo specifico accordo diverso ed indicazione di determinate normative da individuarsi a rischio e pericolo del Cliente, il Cliente sopporterà ogni rischio di difformità dei Prodotti ad altre normative. Linea Light garantisce i Prodotti da vizi e difetti.
- 8.2. A pena di decadenza, il Cliente dovrà denunciare i difetti rinvenuti mediante comunicazione scritta a Linea Light entro 8 giorni dalla consegna ovvero dalla scoperta in caso di vizio occulto. In ogni caso, il Cliente decade dal diritto alla garanzia qualora non abbia adempiuto ai propri obblighi di pagamento nei termini convenuti. La denuncia dei difetti rilevati dovrà indicare con precisione la natura dei difetti riscontrati, il numero del lotto di Linea Light a cui appartengono i Prodotti che si affermano viziati e eventuali Prodotti consegnati a terzi o immessi sul mercato.
- 8.3. Il Cliente entro i termini di cui al precedente art. 8.2 dovrà spedire a propria cura e spese a Linea Light i Prodotti che si affermano viziati. Qualora venga accertata l'esistenza di vizi o difetti di cui Linea Light sia tenuta a rispondere in base alle presenti Condizioni Generali, Linea Light può a sua discrezione provvedere a propria cura e spese alla riparazione o alla sostituzione dei pezzi difettosi. Tutte le spese aggiuntive che potrebbero insorgere in relazione alla riparazione dei vizi o alla sostituzione dei Prodotti viziati (a titolo esemplificativo ma non esaustivo per l'installazione, la rimozione, il ripristino, lo smaltimento) sono a carico del Cliente. In ogni caso, Linea Light non sarà in alcun modo tenuta al risarcimento di danni, diretti o indiretti, subiti dal Cliente.
- 8.4. La garanzia non opererà in caso di normale degrado d'uso dei Prodotti e/o difetti o malfunzionamenti dovuti ad imperizia od uso difforme dalle istruzioni di Linea Light.
- 8.5. Il Cliente decade, altresì, dal diritto alla garanzia nell'ipotesi in cui abbia apportato modifiche ovvero abbia eseguito interventi di qualsiasi natura sui Prodotti senza la preventiva autorizzazione scritta di Linea Light.
- 8.6. La durata della garanzia è di 24 mesi dalla data della fattura di vendita. L'eventuale estensione a 5 anni è subordinata alla registrazione del Cliente sul sito www.linealight.com, alla richiesta di attivazione e alla successiva approvazione da parte di Linea Light secondo il Regolamento Garanzia 5 Anni pubblicato sul sito.
- 8.7. Non costituiscono vizio e/o difetto le variazioni nella tonalità della luce emessa dai LED (CCT della luce bianca, espressa in Kelvin; lunghezza d'onda dello spettro EM per la luce colorata, espressa in nanometri) né le variazioni di tonalità della colorazione dei vetri.
- 8.8. La garanzia prevista nel contratto e/o nelle Condizioni Generali è l'unica garanzia prestata da Linea Light con espressa esclusione di qualsiasi altra garanzia, anche implicita (inclusa la garanzia di commerciabilità e di idoneità ad uno specifico scopo) nonché ogni altro obbligo o responsabilità di Linea Light. Non vi sono pertanto altre garanzie che potranno estendere il limite della presente garanzia.

9. ESONERO DA RESPONSABILITÀ

9.1. In nessun caso Linea Light potrà essere ritenuta responsabile e, pertanto, viene espressamente esclusa qualsiasi responsabilità per danni diretti e indiretti nonché costi e spese in caso di violazione della garanzia di cui al precedente articolo 8 o qualsiasi altro obbligo di Linea Light derivante dalla vendita dei Prodotti.

10. RISERVATEZZA

10.1. Il Cliente non potrà divulgare a terzi né utilizzare in alcun modo informazioni sia tecniche che commerciali di Linea Light, scritte o orali che siano, in qualunque modo ricevute o apprese, anche semplicemente in occasione di visite presso gli stabilimenti di Linea Light. Detti obblighi non troveranno applicazione con riferimento a quelle informazioni che al momento della loro comunicazione da parte di Linea Light o comunque del loro apprendimento da parte del Cliente siano legittimamente di pubblico dominio. Detti obblighi resteranno in vigore, con riferimento ad ogni singola informazione, fino a che la stessa divenga legittimamente di pubblico dominio.

11. CONFORMITÀ ALLE NORMATIVE SUL CONTROLLO DELLE ESPORTAZIONI

11.1. In caso di trasferimento di beni forniti da Linea Light a terze parti locali e all'estero, il Cliente deve rispettare tutte le norme nazionali e internazionali di controllo alla (ri)esportazione.

12. NO RUSSIA/BELARUS CLAUSE

- 12.1. Il Cliente è tenuto a non vendere, esportare o riesportare né direttamente né indirettamente nella Federazione Russa o per l'uso nella Federazione Russa i beni forniti ai sensi del presente contratto o in relazione ad esso che rientrino nell'ambito di applicazione dell'articolo 12 octies del regolamento (UE) n. 833/2014 (come successivamente modificato).
- 12.2. Il Cliente è tenuto a non vendere, esportare o riesportare né direttamente né indirettamente in Bielorussia o per l'uso in Bielorussia i beni forniti ai sensi del presente contratto o in relazione ad esso che rientrino nell'ambito di applicazione dell'articolo 8 octies del regolamento (UE) n. 765/2006 (come successivamente modificato).
- 12.3. Il Cliente farà del suo meglio per garantire che gli scopi dei punti 12.1 e 12.2 non vengano vanificati da terzi nel prosieguo della filiera, compresi i potenziali rivenditori.
- 12.4. Il Cliente è tenuto a istituire e mantenere un opportuno meccanismo di monitoraggio per individuare comportamenti da parte di terzi nel prosieguo della filiera, compresi i potenziali rivenditori, che potrebbero vanificare gli scopi dei punti 12.1 e 12.2.
- 12.5. Qualsiasi violazione dei punti 12.1, 12.2, 12.3, 12.4 costituisce una violazione sostanziale di una parte imprescindibile del contratto, dando diritto a Linea Light di adire opportune vie legali tra cui, a titolo esemplificativo ma non esaustivo: (i) risoluzione del contratto; (ii) rescissione del contratto; e (iii) penalità pari al 100% del valore totale del contratto o del prezzo dei prodotti esportati, a seconda di quale importo sia il maggiore.
- 12.6. Il Cliente dovrà informare tempestivamente Linea Light di eventuali problemi nell'applicazione dei punti 12.1, 12.2, 12.3, 12.4, comprese eventuali attività rilevanti di terzi che potrebbero vanificare gli scopi dei punti 12.1 e 12.2. Il Cliente è tenuto a fornire a Linea Light informazioni sul rispetto degli obblighi di cui ai punti 12.1, 12.2, 12.3, 12.4 entro due settimane dalla semplice richiesta.

13. COMUNICAZIONI

13.1. Ogni avviso od altra comunicazione richiesta od ammessa dalla Condizioni Generali o dal contratto di fornitura avverrà per iscritto e potrà essere consegnata a mani, inviata per corriere o per raccomandata con avviso di ricevimento, trasmessa per e-mail o PEC, salvo specifica diversa indicazione.

14. DISPOSIZIONI GENERALI

- 14.1. Il Cliente non acquisirà in forza del contratto di fornitura alcun diritto su marchi e loghi di Linea Light.
- 14.2. Nessuna Parte sarà ritenuta responsabile per ritardo o altra forma di inadempimento ad una o più disposizioni delle Condizioni Generali o del contratto di fornitura nel caso in cui ciò sia dovuto a causa di forza maggiore. Si considerano, a titolo meramente indicativo, cause di forza maggiore eventi naturali eccezionali, tra cui terremoti, alluvioni e simili, crolli, incendi, scioperi, non solo nazionali, ma anche locali e aziendali, serrate, tumulti, atti terroristici, difficoltà negli approvvigionamenti e nei trasporti, pandemie, epidemie, indisponibilità di componenti elettronici, provvedimenti dell'autorità, nonché, per quanto attiene Linea Light, fermi di produzione dovuti alla necessità di operazioni di manutenzione, riparazione o rifacimento di impianti o immobili, anche se causata da un'errata o insufficiente manutenzione effettuata nel passato. Tale Parte dovrà comunque darne immediata comunicazione all'altra, che avrà diritto di recedere dal Contratto stesso nel caso in cui l'evento di forza maggiore perduri per un termine superiore a sei mesi.

15. LEGGE APPLICABILE E FORO COMPETENTE

- 15.1. Le Condizioni Generali e tutti i contratti di fornitura tra Linea Light e i Clienti sono disciplinati dalla legge italiana, con esplicita esclusione della Convenzione di Vienna sulla vendita internazionale di beni mobili del 1980 e delle norme di conflitto.

General terms and conditions of sale:

1. SCOPE OF APPLICATION AND EFFECTIVENESS

- 1.1. These general conditions of sale (hereinafter the "General Conditions") govern and apply to all the supplies provided by Linea Light S.r.l. (hereinafter "Linea Light") to its customers (hereinafter "Customers" and in the singular form "Customer" and jointly hereinafter the "Parties" and in the singular form "Party"). They are an integral and substantial part of all supply and sales contracts. Any other conditions or terms may be applied only if confirmed in advance and in writing by Linea Light. The general conditions of the Customer shall not be applied, even if explicitly referred to in orders accepted by Linea Light, without prejudice to any different agreements explicitly established in writing between the Parties.
- 1.2. These General Conditions cancel and replace any previous general conditions of Linea Light applicable to the business relationship. Linea Light reserves the right to edit, add to or make changes to the General Conditions without notice, by publishing a new version on the website: www.linealight.com. The General Conditions applicable are those in force at the time the order is placed (the new general conditions of sale shall be applicable only to orders placed starting from the date of their publication). The General Conditions of sale are drafted both in Italian and in other languages. In the event of doubt with regard to interpretation, the Italian version shall prevail in all cases.

2. DEFINITIONS

For the interpretation of the General Conditions of Sale, the terms listed below are defined as indicated:

- a) Linea Light: Linea Light S.r.l. a socio unico, a single-member limited liability company;
- b) Customer: the purchaser of the Product or the subject to whom said Product is delivered;
- c) Contracting Parties/Parties: Linea Light and the Customer;
- d) Product/s: the goods specified in the catalogues and/or offers, the object of the contracts of sale between Linea Light and the Customer;
- e) Order/s: the form with which the Customer states their intention to purchase the Products from Linea Light;
- f) General Conditions: these contractual agreements;
- g) Website: the website www.linealight.com

3. PRODUCTS

- 3.1. Linea Light reserves the right, at any time and without notice, to remove any Products from the collection or from the catalogues (unless said Products are the object of an Order duly confirmed by Linea Light), or to modify any parts, details or finishes in order to improve the performance of the Products, or to comply with EC regulations.
- 3.2. Any samples of the Products or images of the same contained in catalogues, brochures, advertising material, price lists and/or similar are merely indicative, even when sold pursuant to art. 1522 of the Italian Civil Code.
- 3.3. The object of the supplies governed by the General Conditions are both standard and customised Products made by Linea Light and/or by third parties on behalf of the same, as well as Products simply sold by Linea Light. Customised Products are those produced based on a drawing or design, or on specific indications provided by the Customer, or using technical or technological knowledge of the same. Customers for whom customised Products have been produced must indemnify and hold harmless Linea Light from and against any claims from third parties, and specifically regarding unfair competition, or counterfeiting or usurpation of patents, trademarks, industrial models, drawings and ornamental models, or any breach of industrial or intellectual property rights, authorship rights or rights to know-how in general. The Customer shall assume full responsibility in relation to customised products, pursuant to and in accordance with Italian Legislative Decree no. 206 of 06.09.2005 and Directive 85/374/EEC as amended, as well as any similar legal measures applicable in the countries in which the Products are to be used and/or sold, undertaking to indemnify and hold harmless Linea Light from and against any claims of any nature on the part of third parties; no claims may be filed or objections presented in this regard by the Customer in any way and/or for any reason.

4. ORDERS

- 4.1. By transmitting an order, Customers confirm that they are fully informed of and accept these General Conditions and the further information provided on the Website and information found at any links provided therein, including the privacy policy and the conditions governing returns.
- 4.2. Orders must be placed in writing and transmitted as indicated at point 13.1. The type and number of Products ordered must be indicated accurately. Any orders placed verbally shall not be taken into consideration until the pertinent written documentation has been received by Linea Light. Linea Light reserves the right to accept or decline Orders received. Orders may be accepted by means of a written communication transmitted in any of the ways indicated at point 13.1 below, or by implicit consent indicated by the start of the order execution process. In this latter case, Linea Light must, within a reasonable period of time, advise the Customer that the order execution process is under way, and that their order has therefore been accepted.
- 4.3. Acceptance by Linea Light of an Order that differs from the order placed shall be considered as a counterproposal, which shall be deemed as having been accepted by the Customer if not contested within three working days of receipt, after which time the Customer may not make any claims or raise any objections for any purpose and/or reason.
- 4.4. Any agents, business finders and other sales representatives of Linea Light do not have the power to make agreements that are binding in any way upon Linea Light. Specifically, they have no power to enter into contracts on behalf of Linea Light, or to modify or cancel contracts in force, modify delivery terms or grant exclusive sales or purchase rights, grant discounts or reductions or extensions of payment terms, or collect sums of money, except for cases in which they are in possession of a special proxy granted for such specific purposes. Any payments made by Customers to the subjects indicated above shall not free the Customer of their obligation to pay, and payment shall not be considered as having been made and settled in full until the pertinent amounts have been received by Linea Light.
- 4.5. The sending or delivery by Linea Light, or by the agents, business finders and other sales representatives of the same, of price lists or material illustrating the Products may not in any way be construed as a contractual offer.

5. DELIVERY

- 5.1. The delivery terms indicated on the Orders, even when accepted by Linea Light, or otherwise agreed upon, may not be considered essential, and are merely indicative, unless explicitly agreed otherwise by the Parties. Reasonable tolerance shall always be permitted. Therefore, in the event of a delay in delivery, Linea Light may not in any way be deemed to have failed to fulfil its obligations, and no objections may be raised or any claims filed against Linea Light for this reason.
- 5.2. Unless otherwise agreed in writing by the Parties, deliveries are ex works (EXW), as per the Incoterms definition of the Chamber of Commerce in the version in force at the time. The place of delivery shall be the Linea Light premises notified in advance by Linea Light to the Customer. In the event of failure to collect the goods on the part of the Customer, or refusal to receive the goods by the same, even in cases in which delivery, as agreed in writing by the parties, is not made EXW, Linea Light may sell the uncollected Products, even in derogation to the provisions of art. 1515 et seq. of the Italian Civil Code, without prejudice to any other remedy provided for by law or by contract or specifically contemplated in the General Conditions.

6. PRICE - PAYMENT TERMS AND METHODS

- 6.1. Unless otherwise agreed in writing by the Parties, the Products shall be supplied at the price (not including VAT) indicated on the Linea Light price list in force at the time of acceptance of the order by Linea Light. The price must be paid in advance directly into the current account indicated by Linea Light, unless otherwise agreed by the Parties, and in any case in accordance with the payment terms specified on the invoice. Linea Light reserves the right to increase the prices, even when confirmed, in proportion to any increases it may be subject to, including, by way of example, but not limited to, increases in the prices of materials, raw materials, packaging, transportation and logistics, energy and labour, due to circumstances that do not depend on the will of Linea Light and are beyond its control. In such cases, Linea Light shall notify the Customer in writing. The Customer undertakes forthwith to accept the aforementioned price adjustments, explicitly foregoing the right to raise any objections thereto in any way and for any reason. Linea Light is free to transfer to third parties receivables from Customers deriving from goods supplied. Customers may not suspend or delay payment of the price for any reason, and specifically, may not raise any objections for any reason or motive regarding the Products received until the price thereof has been paid in full. Please note that the Customer must punctually pay the full price due even if they have not yet collected the Products.
- 6.2. Without prejudice to any other remedy contemplated in the contract or the General Conditions and established by law, or agreed upon between the Parties, in the event of a delay in the payment of the price, the Customer shall automatically be placed in default, and shall be subject to the accrual of default interest on the amounts owed at the rate established in Italian Legislative Decree no. 231/2002. Furthermore, any other amounts owed to Linea Light by the Customer shall become payable immediately, without the need for any prior notification by Linea Light. Linea Light may suspend all other supplies to said Customer until all the payments - the payment/s for which the delay has occurred, and any others payable immediately as a result of said delay - have been made in full, without prejudice to the fact that, if the goods to be delivered have already been produced, the Customer shall also be liable for the payment of a sum equal to 0.5% of the price of the uncollected Products for each week or part thereof for which collection is delayed, for warehousing costs, without prejudice to the obligation to compensate Linea Light for any further damage suffered. In all the cases contemplated in this article 6.2, the Customer may not raise any objections or make any claims for any purpose and/or reason.

7. PACKAGING

- 7.1. Unless otherwise agreed in writing by the Parties, the Products shall be delivered in Linea Light's standard packaging. Any objections regarding damage to packaging must, under penalty of forfeiture, be raised in writing by the Customer, or the delivery carrier, upon collection.

8. GUARANTEES

- 8.1. Linea Light guarantees the Customer that the Products supplied are free from manufacturing and/or material defects and are compliant with the applicable Italian and EU regulations in force at the time of delivery. Unless specifically agreed otherwise and without an indication of particular regulations, to be identified at the Customer's own risk, the Customer shall be liable for any risk of non-compliance of the Products with other regulations. Linea Light guarantees the Products against flaws and defects.
- 8.2. Under penalty of forfeiture, the Customer must report any defects found to Linea Light in writing, within 8 days of delivery or from the date of discovery in the case of a hidden defect. In any case, the guarantee shall be invalidated if the Customer fails to meet their payment obligations within the terms established. Reports of defects found must accurately indicate the nature of said defects, the Linea Light lot number the Products reported as faulty belong to, and any Products delivered to third parties or placed on the market.
- 8.3. Within the terms established in art. 8.2 above, the Customer must send the Products reported as faulty to Linea Light under their own responsibility and at their own expense. In the event that the faults or defects reported are verified and Linea Light is responsible therefor in accordance with these General Conditions, Linea Light may, at its discretion, repair or replace the faulty pieces under its own responsibility and at its own expense. All additional expenses that may arise from the repair of the faults or the replacement of the faulty Products (including, by way of example, but not limited to, costs for installation, removal, restoration and disposal) shall be borne by the Customer. In any case, Linea Light shall not be held liable in any way for compensation for any direct or indirect damage caused to the Customer.
- 8.4. The guarantee shall not apply in the case of normal wear and tear of the Products due to use, and/or to defects or malfunctions caused by inexperience or use that deviates from the instructions provided by Linea Light.
- 8.5. The Customer shall lose the rights granted to them by the guarantee in the event of any changes made to or intervention of any nature carried out on the Products without the prior written authorisation of Linea Light.
- 8.6. The guarantee shall last for 24 months from the date of the sales invoice. Any extension of the warranty period to five years is subject to the Customer's registration on www.linealight.com, the submission of a request for activation, and the subsequent approval by Linea Light in accordance with the 5-Year Warranty Regulations published on the website.
- 8.7. Variations in the tone of the light emitted by the LED (CCT of the white light, expressed in Kelvin; EM spectrum wavelength for coloured light, expressed in nanometres) or variations in the tone of the colours of the glass may not be considered a fault and/or defect.
- 8.8. The guarantee provided for in the contract and/or in the General Conditions is the only guarantee provided by Linea Light, and explicitly excludes any other guarantee, including implicit guarantees (such as the guarantee of saleability and suitability for a specific purpose), as well as any other obligation or liability binding upon Linea Light. No other guarantees may therefore extend the limits of this guarantee.

9. DISCLAIMER

- 9.1. In no event may Linea Light be held liable - and is therefore explicitly released from all responsibility for - any direct and indirect damage, and for any costs and expenses in the event of a breach of the guarantee referred to in article 8 or any other obligation of Linea Light deriving from the sale of the Products.

10. CONFIDENTIALITY

- 10.1. The Customer may not divulge to third parties nor use in any way either technical or commercial information pertaining to Linea Light, both written and oral, acquired or learned by any means, including simple visits to Linea Light premises. Said obligations shall not apply with reference to information which, when communicated by Linea Light or learned of by the Customer, were legitimately in the public domain. Said obligations shall remain in force, with reference to all information, until such information legitimately enters the public domain.

11. COMPLIANCE WITH REGULATIONS GOVERNING EXPORT CONTROLS

- 11.1. In the event of the transfer of goods supplied by Linea Light to third parties locally or abroad, the Customer must comply with all national and international regulations governing exports and re-exports.

12. NO RUSSIA/BELARUS CLAUSE

- 12.1. The Customer shall undertake not to directly or indirectly sell, export or re-export the goods supplied pursuant to this contract or in relation thereto that fall within the scope of application of article 8 of Regulation (EU) no. 833/2014 (as amended) to the Russian Federation or for use in the Russian Federation.
- 12.2. The Customer shall undertake not to directly or indirectly sell, export or re-export the goods supplied pursuant to this contract or in relation thereto that fall within the scope of application of article 8 of Regulation (EU) no. 765/2006 (as amended) to Belarus or for use in Belarus.
- 12.3. The Customer shall endeavour to ensure that the aims of points 12.1 and 12.2 are not invalidated by third parties further along the supply chain, including potential retailers.
- 12.4. The Customer shall undertake to establish and maintain an appropriate monitoring mechanism to identify behaviours on the part of third parties further along the supply chain, including potential retailers, that could invalidate the aims of points 12.1 and 12.2.
- 12.5. Any breach of points 12.1, 12.2, 12.3 and 12.4 shall constitute a substantial breach of an essential part of the contract, and shall entitle Linea Light to take appropriate legal action, including, by way of example, but not limited to: (i) termination of the contract; (ii) annulment of the contract; and (iii) a penalty equal to 100% of the total value of the contract or the price of the products exported, whichever amount is higher.
- 12.6. The Customer must provide timely notification to Linea Light of any problems regarding the application of points 12.1, 12.2, 12.3 and 12.4, including any significant activities on the part of third parties that could invalidate the aims of points 12.1 and 12.2. The Customer shall undertake to provide Linea Light with information regarding compliance with the obligations set forth in points 12.1, 12.2, 12.3, and 12.4 within two weeks of a simple request.

13. COMMUNICATIONS

- 13.1. Any notifications or other communications requested or permitted by the General Conditions or by the supply contract must be in writing, and may be delivered by hand, sent by courier or sent by registered mail with return receipt transmitted, or transmitted by regular or PEC certified e-mail, unless specifically agreed otherwise.

14. GENERAL PROVISIONS

- 14.1. The terms of the contract do not give the Customers any rights to Linea Light trademarks or logos.
- 14.2. Neither Party shall be held liable for delays or other forms of non-compliance with one or more measures set forth in the General Conditions or the supply contract if this is due to causes of force majeure. The following may, merely indicatively, be deemed causes of force majeure: exceptional natural events, including earthquakes, floods and similar events, collapses, fires, strikes (national, local and corporate), lockouts, riots, acts of terrorism, difficulties regarding supplies and transportation, pandemics, epidemics, shortages or unavailability of electronic components and orders from the authorities; and, with regard to Linea Light, production downtime due to the need to carry out maintenance, repairs or reconstruction of systems or buildings, even if caused by erroneous or insufficient maintenance carried out previously. The Party concerned must, in all cases, immediately notify the other Party, which shall be entitled to withdraw from the Contract if the event of force majeure lasts for a period exceeding six months.

15. APPLICABLE LAW AND COURT OF JURISDICTION

- 15.1. The General Conditions and all the supply contracts between Linea Light and its Customers are governed by Italian law, with the explicit exclusion of the 1980 Vienna Convention on Contracts for the International Sale of Goods and conflict of laws.
- 15.2. For any and all disputes arising from the General Conditions and/or from any supply contract, or relating to either, the exclusive court of jurisdiction, without exception, shall be the Court of Treviso (Italy).
- 15.3. The Customer shall irrevocably and unconditionally forego the right to raise any objections in the future to the Court of Treviso being the proper court for the resolution of any disputes, undertaking not to bring any disputes before any jurisdiction other than the aforementioned court, and not to request the application of a law other than that established in art. 15.1 above.
